

SADEESH GRERO

I am Sadeesh Grero, a Software Engineering graduate with a Second lower Class Honors degree from Staffordshire University. As Co-founder of Zennoi, I specialize in UI/UX design, web development, and backend development. Despite academic challenges, my resilience and commitment to excellence have been pivotal in shaping successful ventures.

I am excited about the opportunity to contribute my expertise to your esteemed company. Ready to immerse myself in new challenges, I am dedicated to leveraging my experiences and skills to foster innovation and drive growth within your organization.

- January 2021 - February 2024
BEng Software Engineering
Staffordshire University
Honours Second class 2nd Division
- March 2015 - March 2020
Lyceum International School
Wattala

Sports Achievements

- Colors in Football (2023/2024)- APIIT
- Colors in Athletics (2020/2021) - Lyceum International School Wattala

Experience

June 2021 - October 2021

Ace Academy (ICTA)

Trainee Software Engineer

During my four-month trainee period at Ace Academy, I immersed myself in website management and bug fixing, actively contributing to technical issue resolution and performance optimization.

Proficient in coding languages like PHP, HTML, CSS, JavaScript, and MySQL, this hands-on experience not only honed my skills but also provided valuable insights into collaborative problem-solving.

March 2023 - September 2023

BRYLIX Pvt Ltd | Maharagama, Srilanka

Part-time UI/UX Designer

- Enhance user experiences and refine design aesthetics across various company projects.
- Leverage creative expertise at the intersection of UI/UX design and web development, contributing significant value to Brylix's initiatives.
